

Okaloosa County Infrastructure Surtax Advisory Committee Project Updates

Date:	July 15, 2021
То:	Members of the Advisory Committee
From:	Steve Schmidt, CPM
Subject:	Estimated Project Year Budget

STATEMENT OF ISSUE:

Review of estimated Project Year Budget worksheet.

BACKGROUND:

The attached report is an effort to forecast proposed project timing and funding for the Transportation Capacity, Transportation Safety, and Stormwater projects for the ten-year life of the surtax and an additional year. The annual estimates for past years show approved and adjusted allocations (for instance, ST000006 had \$280,000 allocated, but what's shown is the after-closeout total spent of \$214,500). Current year approved allocations are highlighted in yellow; all other amounts in current and future years reflect only the anticipated Surtax expenditures. The "Cumulative Available" revenue numbers for years 1 & 2 reflect actual revenues. The estimated amounts for Public Works and Public Safety going forward remains at a total of \$14,000,000.

Several changes in the worksheet have occurred since the last meeting, with additional completed projects transitioning from yellow highlighting to pale blue.
